## **REPORT OF THE BOARD OF DIRECTORS**

The Board of Directors of Hattha Kaksekar Limited (“HKL or the Company”) presents its report together with the audited financial statements of HKL for the year ended 31 December 2005.

### **HATTHA KAKSEKAR LIMITED**

Hattha Kaksekar, a non-governmental organisation (“NGO”) established in November 1996, has created HKL in order to comply with Prakas No. B700-06 dated 11 January 2000, a regulation issued by the National Bank of Cambodia (“Central Bank”) on licensing of micro-finance institutions. The creation of HKL converted the NGO’s micro-lending operations into a licensed and commercially oriented micro-finance institution (“the MFI”). HKL aims to carry out the NGO’s micro-finance activities and conduct banking operations as defined in the Law on Banking and Financial Institution. This conversion was achieved by transferring and assigning all the assets and liabilities of the NGO as at 27 April 2001, the effective date of transfer, to HKL including all grant contracts and the outstanding receivables arising from these contracts as at the date of transfer, conditions and obligations relating to a bank loan, all employment contracts, conditions, obligations and benefits, leases on premises or houses for office branches or headquarters, and all others related to micro-lending operations of the NGO. The transfer and assignment of all these were effected through an agreement to transfer assets and liabilities, and the subordinated loan agreement between the NGO and MFI, both dated 27 April 2001.

### **PRINCIPAL ACTIVITIES**

The Company is principally engaged in the provision of credit and saving services.

HKL operates in six branches located in Pursat, Kampong Thom, Siem Reap and Banteay Meanchey provinces and Phnom Penh, with the primary source of revenue being interest income earned on providing loans to clients. It also provides savings accounts to its clients and the public in these provinces.

### **RESULTS AND DIVIDENDS**

The net income for the year ended 31 December 2005, after taxation, amounted to US\$253,284 (2004: US\$113,237).

No dividends were paid or declared during this year.

## **EVENTS SINCE THE BALANCE SHEET DATE**

No significant events occurred after the balance sheet date requiring disclosure or adjustment other than those already disclosed in the accompanying notes to the financial statements.

## **STATEMENT OF THE BOARD OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS**

The BOD is responsible for ensuring that the financial statements are properly drawn up so as to give a true and fair view of the financial position of HKL as at 31 December 2005, and of the results of its operations and cash flows for the year then ended. In preparing these financial statements, the BOD is required to:

- i) adopt appropriate accounting policies which are supported by reasonable and prudent judgments and estimates and then apply them consistently;
- ii) comply with the disclosure requirements of the Central Bank or, if there has been any departure in the interests of true and fair presentation, ensure this has been appropriately disclosed, explained and quantified in the financial statements;
- iii) maintain adequate accounting records and an effective system of internal controls;
- iv) prepare the financial statements on a going concern basis unless it is inappropriate to assume that HKL will continue operations in the foreseeable future;
- v) set overall policies for HKL, ratify all decisions and actions by the BOD that have a material effect on the operations and performance of HKL, and ensure they have been properly reflected in the financial statements.

The BOD confirms that HKL has complied with these requirements in preparing the financial statements.

On behalf of the Board of Directors of Hattha Kaksekar Limited, we do hereby state that the accompanying financial statements, together with the notes thereto, present fairly, in all material respects, the financial position of Hattha Kaksekar Limited as at 31 December 2005 and the results of its operations and cash flows for the year then ended and have been properly drawn up in accordance with Cambodian Accounting Standards and guidelines issued by the Central Bank.

## HATTHA KAKSEKAR LIMITED

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2005

#### 1. GENERAL

Hattha Kaksekar, a non-governmental organisation (“NGO”) established in November 1996, has created Hattha Kaksekar Limited (“HKL or the Company”) in order to comply with Prakas No. B700-06 dated 11 January 2000, a regulation issued by the Central Bank on licensing of micro-finance institutions. The creation of HKL converted the NGO’s micro-lending operations into a licensed and commercially oriented micro-finance institution (the “MFI”). HKL aims to carry out the NGO’s micro-finance activities and conduct banking operations as defined in the Law on Banking and Financial Institution. This conversion was achieved by transferring and assigning all the assets and liabilities of the NGO as at 27 April 2001, the effective date of transfer, to HKL including all grant contracts and the outstanding receivables arising from these contracts as at the date of transfer, conditions and obligations relating to a bank loan, all employment contracts, conditions, obligations and benefits, leases on premises or houses for office branches or headquarters, and all others related to micro-lending operations of the NGO. The transfer and assignment of all these were effected through an agreement to transfer assets and liabilities, and the subordinated loan agreement between the NGO and the MFI, both dated 27 April 2001.

On 27 April 2001, the Ministry of Commerce issued a business license dated 3 April 2001 to HKL to operate as a public limited company with the aim of providing credit and saving services for the lower segments of the market. On 19 October 2001, under license number 02, the Central Bank issued a license to HKL to conduct micro-finance operations for a three-year period which expired on 19 October 2004. On 12 July 2004, HKL obtained a new license for a three-year period which will expire on 19 October 2007.

HKL’s head office is at House No. 39, Street 432, Sangkat Boeung Trabek Khan Cham Karmon, Phnom Penh, Kingdom of Cambodia, and it operates in six branches located in Pursat, Kampong Thom, Siem Reap, Banteay Meanchey provinces and Phnom Penh. The primary source of revenue is derived from interest income earned on providing loans. It also provides saving accounts to its clients and the public.

As at 31 December 2005, the Company employed 141 employees (2004: 113 employees).

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

# HATTHA KAKSEKAR LIMITED

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2005

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### *Basis of preparation*

The financial statements of the Company, which are expressed in United States Dollars ("US\$"), are prepared under the historical cost convention and drawn up in accordance with Cambodian Accounting Standards ("CAS"). The Company maintains its accounting records in US\$, the functional and widely accepted currency in Cambodia. Certain comparative figures have been reclassified to agree with the current year's presentation.

The accounting principles applied may differ from generally accepted accounting principles adopted in other countries and jurisdictions. The accompanying financial statements are therefore not intended to present the financial position and results of operations and cash flows in accordance with jurisdictions other than Cambodia. Consequently, these financial statements are only addressed to those who are informed about CAS.

For the sole purpose of complying with Announcement No. B795-139-AN dated 5 December 1995 of the Central Bank, each account of the financial statements has to be converted into Khmer Riel ("Riel") at the official rate of exchange regulated by the Central Bank as at reporting date. The financial statements expressed in Riel do not form part of the audited financial statements and are not for use of other parties other than the Central Bank. As at 31 December 2005, such conversion was made at the rate of US\$1 to Riels 4,112 (2004: US\$1 to Riels 4,027).

The Company's last financial statements under the Generally Accepted Accounting Principles ("GAAP") were for the year ended 31 December 2004. The change to Cambodian Accounting Standards is to follow the Cambodian regulations. As a result of the change, an adjustment has been made as follows:

	<b>GAAP US\$</b>	<b>Effect of transition to CAS US\$</b>	<b>CAS US\$</b>
<b>SHAREHOLDERS' EQUITY</b>			
Revolving fund subsidy	10,755	(10,755)	-
Retained earnings	225,455	10,755	236,210
	<u>236,210</u>	<u>-</u>	<u>236,210</u>

The revolving fund subsidy was adjusted to retained earning. As a result, the revolving fund balance reduced by US\$10,755 and retained earning was increased by the same amount.

#### *Basis of aggregation*

The financial statements include the financial statements of the Head Office and six branches located in Pursat, Kampong Thom, Siem Reap, Banteay Meanchey provinces and Phnom Penh. On aggregation of balances, all significant inter-branch balances and transactions are eliminated in full.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2005

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### ***Loans and advances to customers***

Loans are stated net of provision for bad and doubtful loans.

The adequacy of the provision for bad and doubtful loans is evaluated monthly by management. Factors considered in evaluating the adequacy of the provision include the size of the loan portfolio, previous loss experience, current economic conditions and their effect on clients, the financial condition of individual clients, and the performance of individual loans in relation to contract terms. The provision for doubtful loans charged to expense is based on management's judgment of the amount necessary to maintain the provision balance at a level adequate to absorb losses.

The Company provides monthly provision for loan losses based on percentages in the table below to comply with the requirement of the Central Bank Prakas No. B-7-02-186 on classification and provisioning for bad and doubtful debts, including interest in suspense. An additional provision is made in the financial statements in order that the provision is maintained at an adequate level.

<b>Loan status/classification</b>	<b>Percentages applied (%)</b>
<i>Loan of one year or less</i>	
Standard	0
Sub standard loans (where repayments are more than 30 days overdue)	10
Doubtful loans (where repayments are more than 60 days overdue)	30
Loss (where repayments are more than 90 days overdue)	100
<i>Loan of more than one year</i>	
Standard	0
Sub standard loans (where repayments are more than 30 days overdue)	10
Doubtful loans (where repayments are more than 180 days overdue)	30
Loss (where repayments are more than 360 days overdue)	100

Loan losses (write-offs) are charged against the provision for doubtful loans when management believes that the principal amounts are unlikely to be collected.

#### ***Deferred income tax***

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available, against which the temporary differences can be utilised.

Deferred income taxes are calculated using a principal tax rate of 20%.

## HATTHA KAKSEKAR LIMITED

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2005

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

##### ***Interest income and expense recognition***

Interest earned on loans is recognised on an accruals basis taking into consideration the principal amount of loans outstanding. Interest on loans is calculated on a monthly basis using the balances of the principal amount outstanding as at the previous month end.

Expenses are recognised on an accruals basis.

##### ***Property and equipment***

Property and equipment are stated at cost less accumulated depreciation. Depreciation is charged at rates calculated to write off the property and equipment on a straight-line basis over their estimated useful lives as follows:

	<i>Estimated useful lives</i>
Communication and transportation equipment	6 years
Furniture and fixtures	8 years
Office equipment	4 years

Expenditure for maintenance and repairs that do not extend the useful lives of assets are charged to the income statement. Gains or losses on sale of property, plant and equipment are recognised upon disposal of such assets.

When assets are sold, their cost and accumulated depreciation are removed from the accounts and any gain or loss resulting from their disposal is included in the income statement. Gains or losses arising from the disposal of an item of property and equipment are determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the income statement on the date of disposal.

##### ***Grants***

The portion of the grants to be collected and earned subsequent to balance sheet date are shown as *Grants receivable* and *Deferred grant income*, respectively.

Grant is recognised as income over the periods necessary to match them with the related costs which they are intended to compensate, on a systematic basis.

##### ***Foreign currency translation***

The financial statements are expressed in US\$. Assets and liabilities denominated in currencies other than US\$ are converted into US\$ at the rate of exchange ruling at the balance sheet date. Transactions in currencies other than US\$ are converted into US\$ at the respective rates of exchange prevailing on the transaction dates. Any resulting gains or losses are taken to the income statement.
